Honorable Anthony H. Williams  
Senate of Pennsylvania  
11 East Wing, Main Capitol  
Harrisburg, PA 17120

Dear Senator Williams:

Thank you for sharing with me your interest in a public hearing on Senate Bill 22, a proposed amendment to Pennsylvania's Constitution to change how electoral districts are drawn.

As you know, in early June, the Senate State Government Committee initiated the first of what I had hoped would be a series of public hearings on election issues – including SB 22 and other proposals to change the Commonwealth's redistricting process.

While additional hearings on election issues are still planned, those relating to redistricting have been put on hold due to pending litigation on the drawing of maps. Hopefully, these judicial challenges will be resolved quickly at both the state and national levels.

In the interim, thank you for taking the time to contact me on this important issue.

Sincerely,

A handwritten signature in black ink that reads "Mike Folmer".
