Dear Members,

This letter serves as my latest effort to keep the members informed regarding the issue of election fraud. As the Democratic Chair of the Intergovernmental Operations Committee and member of the State Government Committee, I feel it is my duty to provide you with the most updated information on this topic. Consequently, below you will find links to two articles authored by the Philadelphia Inquirer. These articles appeared on Twitter on May 6 and May 7, 2022 and pertain to a Ward leader who was mishandling mail-in ballots. As you can see, the current systems that we have in place to provide secure elections worked as the individual who engaged in this egregious behavior was identified and removed from the process.
